

GOVERNMENT OF INDIA
MINISTRY OF COAL
LOK SABHA
UNSTARRED QUESTION NO. 3021
TO BE ANSWERED ON 10.03.2025
SAFETY IN COAL MINES

3021. SHRI SURESH PATEL:

Will the Minister of COAL be pleased to state:

- (a) the measures taken for the safety of workers in coal mines; and
- (b) whether any technology has been deployed for early warning of hazards?

ANSWER

THE MINISTER OF COAL AND MINES (SHRI G. KISHAN REDDY)

(a): Safety measures include risk-assessment based Safety Management Plans for every mine, safety audits by multidisciplinary teams, training of workers at vocational training centres, provision of personal protective equipment, and regular inspections by the Directorate General of Mines Safety.

(b): Yes, Sir. Proximity warning systems on dumpers, real-time environmental monitoring for methane and carbon monoxide in underground mines, slope stability radar in large opencast mines and a mine-level safety dashboard have been deployed.
