

GOVERNMENT OF INDIA
MINISTRY OF COAL
RAJYA SABHA
UNSTARRED QUESTION NO. 1187
TO BE ANSWERED ON 05.12.2024
REDUCTION IN COAL IMPORTS

1187. SMT. ANITA SHARMA:

Will the Minister of COAL be pleased to state:

- (a) the steps taken by the Government to reduce import of coal; and
- (b) the status of the inter-ministerial committee on import substitution?

ANSWER

THE MINISTER OF COAL AND MINES (SHRI G. KISHAN REDDY)

(a): To reduce substitutable coal imports the Government has taken steps including auction of commercial coal blocks, allowing captive mines to sell up to 50 per cent of production, single window clearance, enhancing domestic production of coking coal under Mission Coking Coal, and improving coal washing capacity. Thermal power plants designed on domestic coal have been advised to minimise blending with imported coal.

(b): An Inter-Ministerial Committee was constituted to identify items that can be substituted by domestic coal. The committee meets regularly and a portal tracks import substitution by consumers.
